Expected Image After Installation

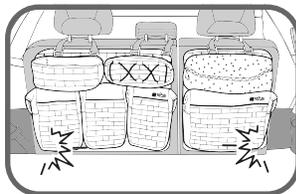

▲ NOTICE

*. Ensure the strap length allows proper headrest adjustment.

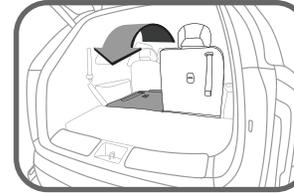

*. Ensure the organizer does not interfere with seat operation.

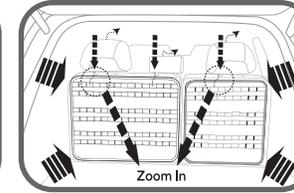

*. Ensure the organizer does not overlap with the seat fender.

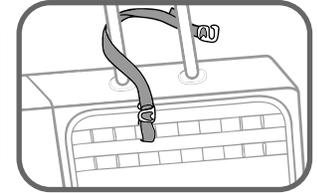

How to Set Up the Seatback Organizer

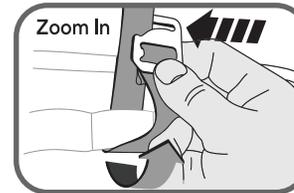

Ⓐ Select the seat and adjust it for easy installation.

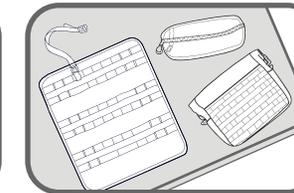

Ⓑ Position the MOLLE Base & attach it with Velcro on the back.

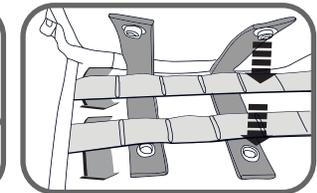

Ⓒ Locate the MOLLE webbing beneath the headrest.

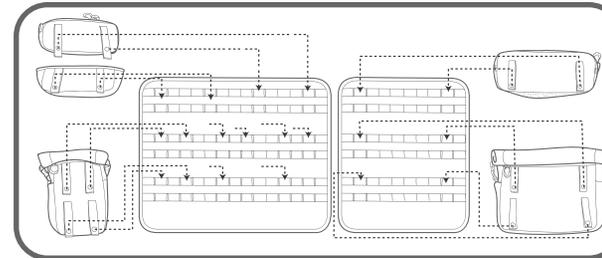

Ⓓ Use the G-hook to feed the strap through the MOLLE webbing on the base from top to bottom, then secure it.

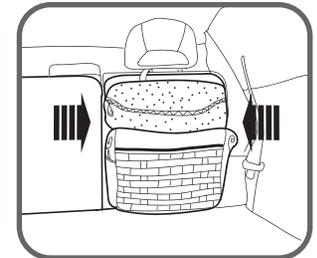

Ⓔ Detach the organizer and lay it flat to attach the pouch & bag.

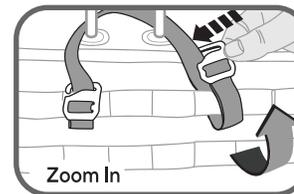

Ⓕ Pass the bag's snap strap through the MOLLE webbing between the 2 orange guide lines & fasten.

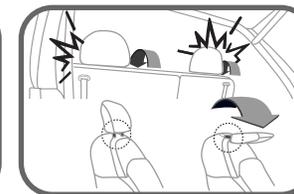

Ⓖ Attach the pouch and bag to the MOLLE Base on by one from the top, as shown. Check the correct placement for each pouch & bag.

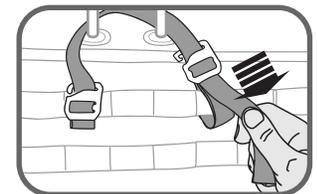

Ⓖ Reattach the MOLLE Base with the bags to the position set in Step B.

Ⓗ Move the unsecured G-hook from left to right behind the headrest and fasten it as in Step D.

Ⓙ Check that the strap length does not interfere when adjusting the headrest.

Ⓚ Once the strap length is set, pull the strap to adjust and complete the installation.

CLEANING INSTRUCTIONS:
TO CLEAN, SIMPLY WIPE WITH A DAMP TOWEL OR SOFT CLOTH.

Important Safety Notes Before Installation

1. Do not overload the organizer. Excessive weight may cause damage or detachment.
2. Do not store sharp objects, liquids, or hazardous materials in the organizer.
3. Handle straps, webbing, buckles, and clips with care. Do not pull or apply excessive force.
4. Ensure the organizer does not interfere with seat adjustment, headrest movement, or airbags during installation or use.
5. This product is intended for automotive interior use only.
6. Follow the installation instructions carefully to ensure proper performance and durability.

Warning

- ▲ **WARNING** : Damage caused by overloading or improper weight distribution is not covered under warranty.
- ▲ **WARNING** : Do not store sharp objects, liquids, chemicals, or hazardous materials in the organizer.
- ▲ **WARNING** : Improper installation may interfere with seat movement, headrest adjustment, or vehicle safety systems and may result in injury or damage.
- ▲ **WARNING** : Do not apply excessive force to straps, MOLLE webbing, buckles, or clips, as this may cause permanent deformation or breakage.
- ▲ **WARNING** : Improper installation or excessive force may result in product failure or personal injury.

Warranty Information

This product is covered by a one-year limited warranty from the date of purchase. ARSN is responsible for providing all warranty-related services. During the warranty period, ARSN will offer free replacement for any manufacturing defects or malfunctions that occur under normal use. Please retain your purchase receipt and this warranty information for future reference. The warranty covers defects in materials or workmanship under normal conditions. It does not cover damage resulting from misuse, negligence, improper handling, or use in abnormal environments.

Return & Warranty Claim Process

For return or warranty service requests, please contact us at support@arsnusa.com. Once we receive your request, our support team will guide you through the next steps, including return instructions if applicable.

- Keep the manual in the glove box.
